SIR

I have the honour to state that the Arsikere Town Municipal Council propose that the pay of the Octroi Mutsaddi may be raised from R20 to R25 per mensem from 1st March 1928, on the ground that the present incumbant is doing good work The President of the Municipal Council reports that the Octroi revenue amounted to R3670/- per annum on the average of the past three years and that a cash security of R50/- also has been prescribed for the octroi mutsaddy s post From his report, it is also seen that the present incumbent Shamanna, is an official of 27 years standing and has beendrawing R20/- since 1921 and he recommends that the proposal of the Council may be approved

2 The proposal of the Municipal Council involves an additional expenditure of R60/- per annum and R20/- for the current official year and the President reports that the extra cost for the current year can be met by reappropriation of funds, sanctioned under other heads of account in the current year's budget estimates of the Municipality

3 In view of these circumstances and of the fact that Arsikere is a fairly good commercial centre and there is every probability of improvement of revenue, I recommend

recommend that the proposal of the Municipal to increase the pay of the Octroi Mutsaddy from ₹20/- to may be sanctioned by Government If it should be cons that the revision of the pay of the post itself is not for the Government may be pleased to sanction at-least a sonal allowance of ₹5/- per mensem to he present inc Shamanna in consideration of is long service and good as reported by the Municipal Council

4 The Vernacular correspondence ending with Municipal President s report No 65 dated 9-4-28 along the resolution of the municipal Council on the subject, is forwarded herewith and I request you to move the Gove and obtain their sanction to my recommendation as at an early date

I have the honour to be,
